

Murray Grey Newsbrief

President's Message

Dear Fellow Members

Hi All

Welcome everyone to the April Newsletter

I hope weaning has gone smoothly with good weight gain results. Down in the Canterbury region there has been good autumn growth so I hope the rest of the country is experiencing this as well.

It has come to the attention of the Council that some members may not be receiving the newsletters by email. We are going to email and post out this newsletter to all members and please let PBB know if you do not receive the emailed version. The newsletter is also available on the website.

George Climo

Annual General Meeting

This is being held in Marlborough on the 16th & 17th May. Genomics (Snip programme)

An article about this will appear in this year's magazine but the Council is committed to go down this path and fall into line with the Australian Murray Grey Society. If members want more information on this go to the NZ Hereford Society website, then go into the Genomic site. You will find good information about this. NZ Murray Grey Society are working with PBB who will be offering this service to all members.

Australian Youth Exchange

Currently Emma Owen from Christchurch is over in Australia and will be attending the Wodonga Youth Show next week. She is enthusiastic about cattle and showing and helped the Waimak and Bluegum Studs at the Malvern and Oxford shows at the end of March where both studs had successful shows.
